Dear Friends @ Tristate Wrestling Alliance,

Mike, I just wanted to take a moment and thank you for working with our shelter at your latest event. As you know, we are a no-kill non-profit shelter that relies upon the kindness and generosity of others to run our organization. Your event really helped us to raise awareness of our shelter and of our work. We were able to meet some wonderful families, raise some much needed funds, collect donated items, get a few new volunteers, and even get an applicant for one of our animals that we had at the event! The attendees were very nice and really seemed to be having a great time. I look forward to working with you in the future. Thanks Again!
